**SWEET SIXTEEN** — Harry Cadelago, Jr. (left) and Steve Radigan met for the first time at the Saturday Expo preceding the marathon. The two were the only runners to have completed all 16 previous Napa marathons. Cadelago, 47, is a middle school teacher and high school band leader in Napa, while Radigan, 43, of Milpitas, is an electronics engineer. Race organizers assigned Cadelago bib # 16, while wore #17. Both were successful in pushing their streaks to 17 completed SHNVs, Radigan going so far as to place 4th in the 40-44 year age group. "I don't think either one of us is going to give up," Radigan said. "By looking at the race results, he's a little older than I am. So I figure, if nothing else, I'll just outlive him!"

**FIRST IN FIRST** — Erin Flaherty of Napa, competing in her first marathon wheelchair race, took first place and seriously dented the previous women's best performance.

**SEVENTEEN AND COUNTING** — Steve Radigan finishes his 17th Sutter Home Napa Valley Marathon in decisive fashion with a 2:51:03, good enough for fourth place in the 40-44 age group.
